1. DE/McNamara on Limited Nuclear War ^u(must not be toldⁿ): see Halberstam, B&B
 2. DE/McGeorge Bundy: Delegation (Lieutenant Kennedy: illustrative of struggle with JCS, covert: specifically, with LeMay (see 1964; 1968; his leaks to Goldwater; my responses; issue of 1964 campaign, arms race and delegation: still, difference between LBJ and Goldwater, though also similarity, hidden to public, compromise with JCS) (this struggle is related to, but separate from, issue of war with China: toughness, arms race, arms budget (still, with Clinton, Bush); Iwakuni? First-strike plans; see JSCP;
 3. DE/Gilpatric: Questions; Komer—Japanese generals [NSSM-1]; Tic Bonesteel to hsr: Did you have anything to do with these questions? Gilpatric to me:
 4. Later on NSSM-1: Vann on questions: to me; to Mission Council.
 5. On NSSM-1: end of attrition, cross-over point (questions); Cambodia added (Nixon on Cambodia, January?); study on Haiphong [ASK HALPERIN] [AND when he learned of frogmen; learned of Cambodia by accident); OTHER QUESTIONS IN NSSM-1
 6. Why Rogers and Laird were cut out of Oval Office; they argued; HAK did not. (decent interval) (Probably no discussion of this on tapes at all; never uttered by Nixon, probably not by HAK in Nixon's presence; ASK HALPERIN: How then did he get by with arguing this to DRV and Dobrynin? Send him comments on Berman?)
